Redux, next. JS, Restful API.

PROFESSIONAL EXPERIENCE

Front End Team Lead@Murabba

Dec 2022 - Present

In Murabba company, I have had the opportunity to take on the role of designing and programming various websites, including projects like Erad.com, Drones, Pharmacy, and several others. This responsibility has allowed me to showcase my skills in web development and create impactful online experiences. Furthermore, I have taken on the role of mentoring fresh graduates in the front-end position, guiding them in their professional growth and helping them navigate the challenges of the industry. It has been a rewarding experience to contribute to the success of both the projects I have worked on and the development of

Front End@Bannan

Dec 2020 - Dec 2022

In my previous company, I had the privilege of being responsible for designing and programming the Go Manasat website. This website served as a platform for real estate trading in Saudi Arabia, allowing users to explore and engage with property listings. It was an exciting opportunity to contribute to the digital presence of a prominent industry in the region. Additionally, I gained valuable experience in modifying projects using WordPress, a popular content management system. This involved customizing themes, implementing plugins, and ensuring functionality for various websites.

Freelancer

Dec 2019 - Dec 2020

During my time as a freelancer, I had the opportunity to work on a diverse range of projects and collaborate with clients from various industries. This experience allowed me to sharpen my skills and expand my knowledge in areas such as web design, graphic design, and content creation. I took on projects that involved creating visually appealing websites, designing eye-catching logos and branding materials, and crafting engaging written content. As a freelancer, I had the freedom to manage my own time and work closely with clients to understand their unique needs and deliver high-quality results. This experience not only honed my technical abilities but also taught me the importance of effective communication, and meeting deadlines.

EDUCATION

EXTRACURRICULAR ACTIVITIES

A verified certificate of completion of the front-end track from Udacity
